

THANK YOU FOR SORTING THE WASTE!

In Ny-Ålesund we don't have any deposit of waste, everything is shipped to the mainland. To keep the costs down and to do what is best for the environment, Kings Bay AS **need your help to sort the waste!**

matavfall

There are several disposal categories, take a look at the sorting stations in Servicebygget and Snekkasjen. Waste can be sorted in the small sorting stations in the different buildings. If you don't find the correct category, bring the waste to Servicebygget!

If you have any questions feel free to ask the adviser or the janitor of Kings Bay AS.
